

# DOES YOUR BUSINESS NEED TO REACH MORE PEOPLE?

## OUR SPONSORSHIP PROGRAM HELPS YOUR BUSINESS

George Ranch Longhorns Lacrosse Club offers a return on your investment for sponsoring our players. When you select a GOLD, SILVER or BRONZE sponsorship package, you will be enrolled in our 2022 marketing program to get your business in front of your ideal customers and clients: students, parents, families, community members, opponents and guests of George Ranch High School Lacrosse (see p.2 for details).

LACROSSE IS ONE OF THE FASTEST GROWING OPPORTUNITIES FOR STUDENT ATHLETES IN TEXAS. However, lacrosse is off the radar for our high school because it is not funded by the UIL in public schools in Texas. Business and private sponsorships are vital for the growth of our program. We love this game and want others to have the opportunity to play and grow as students.

- **Your sponsorship helps us pay to rent fields to practice and play games on.**
- **Your sponsorship helps us hire experienced coaches to train us.** Finding an experienced lacrosse coach in Fort Bend County, Texas is not common. Texas dads/moms don't know the sport well enough to train us.
- **Your sponsorship helps us purchase uniforms and equipment.** Goals, balls, and chalk for the fields, for example, as well as tournament fees which can be thousands for a team.
- **Even one sponsorship can cover the cost of a player for the entire season. Your contribution goes to support our players for the entire season (Winter, Spring, Fall), so it is a tremendous value.**
